

SHOWN WITH OPTIONAL EQUIPMENT

CONFIGURABLE FEATURES YOU NEED MOST

ATC's new Stō 450 Cargo trailer with LifeTrac introduces a whole new way to effortlessly transport your precious gear. Our new LifeTrac modular system offers never-before-seen flexibility that allows you to add, move, or remove a full catalog of ATC accessories to your cargo trailer. Gone are the days when a cargo trailer only serves a singular purpose. You can use the Stō 450 as a simple cargo trailer, or you can transform it into a rig with all the bells and whistles. All this coupled with ATC's "tried and true" dependability makes this cargo trailer an easy decision.

The depictions of trailers in this brochure are for general information purposes only as to the trailers manufactured by ATC during the current model year. Since we continually strive to improve our products, actual products may differ and prices and specifications are subject to change without notice. Product information, specifications, photography, and promotions in this brochure may contain some features that are optional on your trailer. All capacities are approximate and dimensions are nominal. Trailer availability may be limited. ©2024 ATC Rev. 04/15

FEATURES YOU NEED MOST

We've assembled the features our customers want and need most in a cargo trailer and made them all standard on our new Stō 400 Series. As a result, it's easier for you to load cargo efficiently and securely while you're on the road. Dependability and quality are also standard in our trailers, because our aluminum is pound-for-pound twice as strong as industry standard steel. It's also lighter, so your load is easier to tow with less wear and tear on your vehicle. With our BuildPro® modular fixed weld tables, the Stō 400 Series offers the highest quality and most structurally sound frame in the industry.
