Participant Rules & Regulations

Thank you for supporting Trailers of the East Coast's 1st Annual Trail-er-Treat! We appreciate your help in making this a wonderful event for our community, so please read the full Event Rules & Regulations before registering.

Friday, Oct. 23, 2026 | 5-8 p.m. | Trailers of the East Coast
418 Interstate Dr. Mocksville, NC

Important Notes:

-Registration is FREE for this event. However, participants MUST provide their own decorations and candy to pass out. This is our first event, so it is hard to estimate the amount of candy to bring. We would encourage you to bring AT LEAST 300 pieces. Remember, you can't get more but you can always return unused and unopened candy.
-A trailer (Enclosed Car/Cargo) will be provided for you to decorate.
-You may also bring and decorate your own trailer for the event.
-There will be power provided for displays if needed – please bring outdoor extension cords.
-All vendor participants will be allowed to start decorating their trailers on Friday, Oct. 23 at 3 p.m. The event will start promptly at 5 p.m. – please plan to be prepared to begin by 4:45 p.m.
-For safety reasons, please do not break down displays until 8 p.m. Displays must be removed by 9 p.m.
-All trailers will be labeled with your name and a NUMBER.
-There will be voting and awards for the top-3 "People's Choice" trailer displays. Voting will be during the event and winners announced at 7:30 p.m.
-Please direct all questions to Katelin Longbrake, (o)336-751-2377 (m)419-360-0464 or klongbrake@trailerseast.com

Event Rules & Regulations:

-We request no overly spooky or scary decorations/costumes for this event. Absolutely NO gory or disturbing displays and NO political decorations/themes. Please use your best judgement and help us make this a family-friendly event!
-No open flames, generators or hazardous materials.
-All candy or giveaways must be factory-sealed and store-bought. Homemade items are strictly prohibited.
-Much like at a traditional "Trunk-or-Treat", you will be decorating the BACK of the trailer only. Keep your display child accessible and kid-friendly. Please keep in mind that our trailers have ramp doors, etc.
-We strongly encourage creativity with your decorations. However, when planning your trailer's decorations, please keep in mind that all trailers need to be left how you found them – new! Please do not use aggressive tape or adhesives that will leave residue behind, and we encourage the use of zip ties to limit any damage to the trailer. If you have a unique idea, just ask us prior to the event so we can help and advise!
